

Park Rules

- Jumping on a trampoline can be great fun but it can also be dangerous. There is a risk of serious injury if care is not taken when using the trampolines. Using trampolines is physically demanding and involves jumping and other strenuous actions involving height, speed and unpredictable surfaces. Jumping on trampolines is a high-impact, full body activity which requires intense focus, awareness of your body's strengths and limitations, awareness of the environment around you and extreme caution at all times
- Only jump if you are in good physical condition
- Do not jump if you have any pre-existing medical conditions including heart, back, neck, bone or muscle conditions
- Do not jump if you are or may be pregnant
- Do not attempt to use any of the activity equipment unless you have registered to participate, undertaken the safety briefing & signed a waiver (if you are under 18 a waiver must be signed by a parent or guardian)
- Before jumping loosen up with warm up exercises and stretches
- If you get tired please leave the arena and take a break
- Always remain in control - Be aware of how to bend your knees to control or stop your bounce
- Practice first before moving around the arena
- Always plan your landings before jumping
- Always jump & land in the centre of the trampolines
- Never jump on or near the coloured pads
- Do not exit the trampolines by 'bouncing' off onto the surrounding walkways
- Make sure you have control before leaving the trampolines
- Always jump so you land on both feet at the same time. Never land with just one foot
- Know your limits - Do not attempt any move beyond your own skill level
- Never attempt flips or other extreme moves unless you know you are capable and have had the appropriate training
- No double flips or triple flips even if you are capable
- No double bouncing! (There should never be two people on one trampoline at the same time)
- Strictly only one person per trampoline at any one time
- Do not jump or step onto a trampoline unless the trampoline is clear

- Look out for other jumpers and give way to smaller ones
- Never run across the trampolines
